**Sub: Clarification on price movement sought by BSE Ltd.**

Dear Sir/Madam,

With reference to Clarification sought in Corporate Announcement regarding significant movement in the price of our securities, we would like to clarify as under:

We are not aware of any information / announcement which is our opinion, may have a bearing on the price / volume behavior in the scrip of the Company. The Company has been making prompt disclosure of all the applicable event and information that have a bearing on the operation or performance of the Company including all price-sensitive information, as required under regulation 30 of SEBI (LODR) Regulation, 2015 and has not withheld any material information that in our opinion would have a bearing on the price movement of the scrip.

The movement in Company share price is purely due to market conditions and apparently market driven on which the Company neither has any control nor has any knowledge of reasons. Neither there has been any transaction of shares owned by promoter or associates during the period.

Please take the above clarification on your record.

Thanking you,

**For ANS Industries Limited**
